1. apply the Security Deposit in respect of any Incurred Fees as provided in sub-clause 3(a)(1);
2. where the Storage Unit is located at the Facility, deny You access to the Storage Unit and/or the Facility until the Default is remedied, including by applying a padlock or other device to the Storage Unit;
3. claim a contractual lien over all Your Storage Unit Goods (**Contractual Lien**) and You agree to grant us the Contractual Lien;
4. take possession of the Storage Unit Goods irrespective of whether the Storage Unit is located at the Premises or the Facility, and if the Storage Unit is located at the Premises, enter onto the Premises and remove the Storage Unit from the Premises (by force if necessary) to facilitate such possession (noting that, for the purposes of the PPSA, We are deemed to be in possession of the Storage Unit Goods from the moment We exercise our rights pursuant to this clause);
5. at our discretion, after providing to You 14 days' written notice, redeliver the Storage Unit Goods to You at Your address specified in the Schedule (or as otherwise advised by You), or, if the Storage Unit is located at the Premises, leave the Storage Unit Goods at the Premises;
6. report You to, without limitation, StorerCheck debt collection agency, credit reporting agency, law enforcement agency or government authority as applicable (subject to Our Privacy Policy and Privacy Collection Statement) ;
7. not earlier than on expiry of 42 days since the date of Your Default and upon giving You no less than 14 days' notice (to allow You to rectify Your Default if it is rectifiable):

A. sell the Storage Unit Goods in one or more lots by private arrangement or public auction (whether conducted online or in person), subject to any superior rights of third parties under the PPSA; or

B. dispose of the Storage Unit Goods in whole or in part, in any manner We deem fit, where the Storage Unit Goods remain unsold after being offered for sale or are unsaleable for any reason (including posing a health and safety risk) or appear of insufficient value to warrant a formal sale process.

This sub-clause 13(a)(6) will only apply to the extent the relevant Uncollected Goods Legislation allows parties to contract out of it.

b. In respect of sub-clause 15(a)(7):

1. If We believe it is a health and safety risk to conduct an inventory of the Storage Unit Goods, We may take the Default Action under paragraph (B) without undertaking such an inventory. In such circumstances, We will not open any boxes or bags in which Your Storage Unit Goods are contained and will dispose of all Storage Unit Goods unopened.

2. Any funds We recover from the sale will be applied to pay any Fees You owe Us, including the Default Action Costs. In the event of excess funds, We will endeavour to return any balance to You within 30 days from the date of finalising Your Account. However, where We cannot locate You or Your Nominee using the contact details provided and the excess funds are determined to be unclaimed monies under the relevant Uncollected Goods

Legislation, we will act in accordance with the requirements of the relevant legislation.

c. You consent to any Default Action being taken under this clause 15, regardless of the nature or value of Your Storage Unit Goods and agree not to impede or cause any obstruction to enforcement of Our rights (other than remedying Your Default).

d. Your Default under one agreement with Us will constitute a Default under all agreements between You and Us and will entitle Us to take a Default Action in accordance with this clause 15 (Consequences of Default) as if it applies mutatis mutandis ((i.e. with making necessary alterations) to each all of Your agreements with Us.

16. Unforeseen Events

On occurrence, or reasonably anticipated occurrence (such as further to an official weather warning from the relevant authorities), of an Unforeseen Event:

a. You must comply with all Our reasonable directions;

b. each party:

1. must comply (and must direct any of their associates to comply) with all directions from a government department, law enforcement agency (including police), and/or insurer; and

2. may, in consultation with the other party and subject to a continuing Unforeseen Event, terminate this Agreement on giving a reasonable notice in writing (which could be with immediate effect if it is reasonable in the circumstances) to the other party;

c. We may:

1. suspend this Agreement and the parties' rights and obligations under it for up to 30 days to allow Us to assess and remedy any damage (and no Mobile Fees will be payable during the suspension);

2. take all actions reasonably necessary to minimise the damage to the Storage Unit and/or Facility caused by or incidental to the Unforeseen Event; and

3. if it is reasonable to do so, offer You an alternative Storage Unit.

d. Where Your Storage Unit Goods in the Storage Unit stored at the Facility are severely damaged or, in Our opinion, pose any risk to Us, You consent to Us disposing of such Storage Unit Goods without any liability to You, upon giving You a written notice. Where practicable and safe to do so, You agree to attend the Facility at any reasonable time specified by Us, and (if required by Us) You will inspect the Storage Unit Goods in the Storage Unit for damage and/or clear out the Storage Unit as soon as possible and within any reasonable period specified by Us.

e. Where your Storage Unit Goods in the Storage Unit stored at the Premises are severely damaged or, in our Opinion based on an inspection under clause 12 (Access, Inspection and Surveillance), pose any risk or threat to any person or property, you agree to inspect the Storage Unit Goods in the Storage Unit for damage and/or clear out the Storage Unit as soon as possible and within any reasonable period specified by Us.

17. Termination

a. Subject to clause 18 (Effect of Termination), this Agreement may be terminated:

1. **Termination Without Cause:** after the Fixed Period has ended, by either party giving written notice to the other party for a period not less than the Termination Notice Period;

2. **Termination for Cause:** by either party immediately (which may be confirmed by a subsequent notice in writing):

A. in the event of any Default under this Agreement by the other party, which is not capable of being remedied (including, where We determine, acting reasonably, that You and/or Your Associate's behaviour and/or use of the Storage Unit and/or the Facility is illegal, environmentally harmful, antisocial, threatening or offensive);

B. upon giving a written notice to the other party to remedy a Default (including any Fees becoming overdue) under this Agreement and the other party fails to remedy the Default within 14 days of receiving notice;

4. **Termination due to Variation:** by You in accordance with sub-clause 22(b); or **Termination due to Unforeseen Event:** by either party in accordance with sub-clause 16(b)(2).

b. If You purport to terminate this Agreement without giving the written notice to Us, termination will be deemed ineffective.

18. Effect of Termination

Termination of this Agreement does not affect any accrued rights or liabilities of the parties. Upon valid termination of this Agreement:

a. We will refund or set off (as applicable) the amount of any Mobile Fees paid by You in advance for any future whole month that has not yet commenced; and
b. You must:

1. pay any outstanding Fees and any other amounts payable by You under this Agreement; and
2. vacate the Storage Unit of all Storage Unit Goods, return to Us (whether by arranging collection by Us in accordance with clause 8 (Delivery and Collection of Storage Unit) or otherwise), the Storage Unit in substantially the same condition as it was when provided by Us (reasonable wear and tear excepted) and any of Our property in accordance with the Storage Rules, and leave the Storage Unit in a clean condition in accordance with the Storage Rules within 24 hours from termination unless otherwise agreed with Us in writing.

3. In the event You breach sub-clause 18(b), We may:

A. deduct the amount from the Security Deposit in accordance with sub-clause 3(a)(1) (Fees); and, in respect of any shortfall,
B. take any Default Action under clause 15 (Consequences of Default).

c. If, after We have notified You of Our intention to collect the Storage Unit from the Premises and despite Us having made reasonable efforts to contact You to arrange access to the Premises, You fail to attend the Premises to facilitate the access required by Us, You consent to Us entering onto the Premises and removing the Storage Unit from the Premises (by force if necessary).

d. Where We have been unable to collect the Storage Unit from the Premises within 42 days of the date of termination as a result of You breaching Your obligations under this clause 18, You may be liable for, and We will have the right to charge You, the Unit Replacement Fee payable in accordance with clause 3(a)(7) (Fees).

19. Disposal of Abandoned Goods

If You leave any of Your Storage Unit Goods unattended in a common area of the Facility in breach of the Facility Rules or fail to remove Storage Unit Goods from the Storage Unit (irrespective of whether of whether the Storage Unit is still located at the Premises or the Facility) within 7 days of termination of this Agreement (**Abandoned Goods**), You authorise us to dispose of the Abandoned Goods (regardless of their nature or value)

upon a 7-day written notice without any liability to You and without having any obligation to inspect and/or value the Abandoned Goods.

20. Nominee

You:

a. warrant that You have the Nominee's consent to disclose the Nominee's Personal Information to Us and that the Nominee is authorised to act as Your agent whose decisions in relation to this Agreement will be legally binding on You; and

b. without limiting clause 20(a), authorise Us to, at Our discretion:

1. discuss any matter relating to this Agreement with the Nominee, including confirming Your latest known contact details; and

2. in the event of You being absent, unwilling or unable to remove Your Storage Unit Goods when required to do so under this Agreement, allow the Nominee to access the Storage Unit and remove Your Storage Unit Goods on terms agreed between Us and the Nominee, whether before or after termination of this Agreement.

21. Notice

a. A notice to a party under this Agreement must be in writing and emailed to that party's email address or texted to that party's mobile phone number specified in the Schedule (unless You have indicated that you decline to receive notices electronically, in which case the notice can be handed to You or Your Nominee or posted to Your latest known address). In the event two or more sets of contact details are provided in the Schedule, it will suffice to give notice in writing to any one of them.

b. A notice given in accordance with this clause must be treated as having been given and received on the day it is handed, emailed or texted or three business days after the notice has been posted by mail.

c. Details of any change to a party's (or a Nominee's) contact details must be notified to the other party within 2 business days of the change occurring.

22. General provisions

a. **Assignment.** The rights granted under this Agreement are personal to You and You may not deal (including via change of control) with Your rights and obligations under this Agreement without Our written consent. Any purported dealing is deemed ineffective. You consent to Us dealing (including via change of control) with Our rights and obligations under this Agreement without prior notice to You (as seeking such consent from multiple storers would be impractical, among other things).

b. **Variation.** We may vary this Agreement by giving You at least 28 days' written notice of the variation and the reason for the variation, which may be pursuant to changes in applicable laws, market conditions and/or legitimate business interests (including for the proper operation, management, refurbishment or redevelopment of the Facility that may require Us to relocate You to another space (of similar dimensions) within the Facility or make any Fee adjustments). If You object to the variation, You may, before the expiration of the 28 days' written notice specified, terminate this Agreement by giving no less than 24 hours' written notice to Us, without penalty. Additionally, We reserve the right to provide You with another storage unit (of the same or similar dimensions) and require You to relocate the Storage Unit Goods to the replacement storage unit if We, acting

reasonably, deem it is necessary to do so for the proper operation and management of Our business and/or the Facility. If this occurs then that new storage unit will be the Storage Unit for all purposes under this Agreement.

c. **Counterparts.** This Agreement may be executed using electronic signatures and exchanged or delivered electronically and such execution, exchange and delivery will be legally binding in any number of counterparts.

d. **No implied waiver.** A failure and/or delay by a party to exercise a right under this Agreement resulting from a breach by the other party does not amount to a waiver of that breach or of any future breach of the same kind.

e. **Severance.** If a provision, or part of a provision, in this Agreement is held to be illegal, invalid, void, voidable, or unenforceable, then that provision, or part of a provision, must be read down to the extent necessary to ensure that it is valid and enforceable. Where it is not possible to so read down a provision, or part of a provision, then that provision, or part of a provision, is severable without affecting the validity or enforceability of the rest of this Agreement.

f. **Entire Agreement.** This Agreement records the entire agreement between the parties about its subject matter and supersedes all previous communications, representations, understandings or agreements between them (whether written or verbal).

g. **Jurisdiction.** The law of the state in which the Facility is located applies to this Agreement. The parties submit to the non-exclusive jurisdiction of the courts of that jurisdiction and of the Commonwealth of Australia.

h. **Disputes.** If a dispute arises between the parties under this Agreement, the parties must attempt to settle the dispute with one another before instituting any legal proceedings.

i. **Survival.** Provisions of this Agreement which by their nature are meant to continue to run beyond the termination or expiry of this Agreement will survive its termination or expiry.

What do I receive?	<ul style="list-style-type: none"> • StoreProtect gives You the right to request a claim for replacement or payment following Loss or Damage to Your Goods caused by a breach of Our Duty of Care (as defined below) while Your Goods are in the Storage Unit.
